SPACIOUS 2/3 DOUBLE BEDROOM COTTAGE WITH SEPARATE 2 EN-SUITE DOUBLE BEDROOM GITE, set in 11000 m2 of land close to the town of Gourdon in the Lot.

This lovely stone built property dating back to around 1790 has 2 bedrooms and bathrooms, 1 ensuite and 1 family. The gite also has 2 double bedrooms, 2 ensuite bathrooms, and is in very good condition. The house and gite each stand alone with their own driveway and swimming pools. THE HOUSE was built as two workers' cottages and a bread oven when the local chateau was knocked down. The fireplace is the chateau fireplace from the fourteenth century. More than likely the stone is also. It is difficult to say whether the beams are from the original chateau. The house has a small separate entrance hall with cloakroom. The kitchen diner (30 m2) is fully fitted with granite work surfaces and a dining area. French windows lead onto the large half-roofed terrace by the swimming pool. (10x4). A small wooden staircase leads to the charming lounge, with medieval fireplace, oak floor and character features. A curved staircase leads to the first floor with large double bedroom and ensuite bathroom. The staircase leads on up to a large family bathroom and double bedroom. The original beams are visible throughout the house. Attached to the house are a basement/utility room and sewing room/study with their own entrances.

THE LAND extends to 11000 m2. There is a large front garden with well established trees and a large vegetable plot plus a large lawn. In addition there are two generous paddocks and a small parcel of forest. There is a large tool shed (20m2) , donkey stabling for two donkeys(25m2) and four small sheds for gardening and equipment.
